

Enchanted Smile Contest

What is it

A Contest...

to select the child's smile that will appear
on the following year's Smile Fest materials

What is the Purpose

- Recognize all of our children/clients
- Keep focus on the children we serve
 - Bring awareness to the program

Effective programs for children focus on *children!*

Easter Seals Central and Southeast Ohio

Easter Seals provides exceptional services for people with disabilities or special needs and their families to live, learn, work and play in their communities.

**Shriners...Helping
Kids Defy the Odds**

**Shriners Hospitals
for Children™**

**When people think “Shriners,”
they think children. The Shrine
has done an excellent job over
the years of making their
organization synonymous with
children. Let’s do the same for
the Grottoes!**

How Does the Program Work

- Dr. of Smiles in each Grotto submits photos of clients to Association
- Association President selects a child to represent his Association
- All photos displayed at Convention where Grotto members vote for their favorite “Poster Smile”
- Poster children invited to attend HF Thursday Dinner Awards at Convention and receive gift card or cash prize

It is the goal of the Humanitarian Foundation to serve more children and to be here for future generations.

People give to *people*, not groups or things.

The Enchanted Poster Contest will use nothing more than a smile to encourage potential donors to get involved and help children with special needs.
