The Grotto Magazine
GRAND MONARCH’S MESSAGE

Prophets, Ladies, and Friends of the Grottoes of North America,

These past several months have simply flown by! I can’t begin to tell you how much Liz and I have enjoyed meeting so many wonderful Grotto Prophets and Ladies during our visits to the Grotto Association meetings. We want to thank all of you for the kindness and courtesies you have extended to us. We have been to both shores of this great continent, and from top to bottom, and many, many places in between. Everywhere we traveled, Grotto was well represented, and good fellowship was in abundance.

I want to take a moment to express my sincere appreciation for the work that is being done in Grottoes around the Realm. I set forth several challenges for my term as Grand Monarch, and many of you have accepted those challenges with vigor. We are receiving reports of a number of Grotto Monarchs earning the Award of Excellence for their opening and closing ritual. Well done! There is still plenty of time for other Grottoes to meet this challenge and to strengthen their Grottoes in the process.

I have also received reports that a number of Grottoes are close to earning their membership award bonuses. This too is exciting news. By adjusting the goals based on Grotto size, we should have more Grottoes able to see an increase and earn these bonuses. Keep up the good work, and we should be able to achieve our overall goal of an overall membership increase for the second straight year.

I must also extend my most heartfelt thanks to all of you for your continued generosity in support of our Grotto Humanitarian Foundation. As always, you have continued to open your hearts as well as your wallets when called upon to support our programs. Liz and I have always held the work of the Foundation in a special place in our hearts, and to see the way each Prophet and Lady responds when the call is made during the Enchanted Lantern Parades, and as individual donors, simply takes our breath away. Thank you so much! Liz and I are also extremely grateful for your support of her Project Bookworm. We are well on the way to establishing a children’s library at the Advocate Illinois Masonic Medical Center in Chicago, and with your continued assistance, we will make this dream a reality. Again, thank you!

Finally, I want to take the opportunity to talk to you about the Supreme Council Convention in Nashville, Tennessee, next July. We are planning an exciting week of fun and entertainment in Music City USA, and we would like all of you to come join us. There will be trips to the Grand Ole Opry, the Wildhorse Saloon, and the Country Music Hall of Fame and Museum, as well as opportunities to explore a variety of attractions the area has to offer. We have a golf outing planned at the beautiful Gaylord Springs Golf Club, and for those who don’t golf, the Opry Mills Shopping Center is right on the way, so there should be something for everyone.

Please don’t think the Supreme Council convention is just for the top officers of the Grotto, or for the Past Monarchs and District Deputies. This convention is for everyone, and it is a chance for all Prophets to come and be a part of the Grottoes of North America, not just the Grotto in your community. Grotto is about meeting new friends, and sharing Masonic fellowship with Masons from all over North America. It is about expanding your horizons and changing perspectives. See how Brothers from other parts of the Realm do things, and take some ideas back to your own Grotto and see if they might work for you. If you have never been to a Supreme Council convention, now is the time! Book your room, send in your registration, and come to Nashville. It will be an experience you won’t regret.

In closing, Liz and I want to wish all of you a Merry Christmas and Happy Holidays. As we close out 2012 and move in to 2013, take time to reflect on the blessings we have been granted and the many wonderful adventures that lie ahead for each of us. Grotto is alive and well, and we will continue to be a joy in the lives of others. Remember, Grotto is the Music of Life! Keep singing Grotto!

Yours in good fellowship,
David Rebmann
Grand Monarch

**PROJECT BOOKWORM**

**PROJECT BOOKWORM** is a special project of Grand Monarch Dave Rebmann and his Lady Liz to create a portable children’s library at the Advocate Illinois Masonic Medical Center Pediatric Development Center in Chicago.

As they travel throughout the Realm, Grand Monarch Rebmann and Liz are collecting new and gently-used books for children from birth to teens and shipping them to the Department of Dentistry at the Hospital.

**Dr. Carol Rolland**, the Director of the Development Pediatric Services Center, is very excited at the prospect of filling the shelves of the children’s library. This Library, donated by the Grottoes of North America, will be used throughout the Pediatric Center and the Department of Dentistry.

The books are desperately needed to entertain waiting patients and siblings, to provide diagnostic tools and can even be loaned to patients’ homes.

**The Grotto Magazine**
At our recent Supreme Council Session in Orlando we heard some great news about the Enchanted Realm. Our membership number had grown by 81 since the previous year. It was a moment worth celebrating! We should all be grateful for the efforts made to make such a moment possible. As wonderful as it is, it presents us with two challenges. The first is to keep the momentum going and bring in more new prophets. The second is to keep them once they are initiated. The effort to encourage them to maintain their membership and get active in their Grotto is called Retention.

Our Grottoes lose more members to demits and suspensions than we do to deaths. This tells us there is a disconnection between what we are doing as Grottoes and what they expect from us. We are not meeting the needs of our fellow prophets and they are letting us know. The good news is this is entirely correctable! We can fix this problem and close the back door they are leaving through. With a little focus and intentional effort we will see the Enchanted Realm continue to flourish for years to come.

Some have asked me so how do we do it? How do we keep the Prophets we have interested and coming back? I would like to see us build our retention around two words that are already familiar to us: Sympathy and Goodfellowship. These two ideas, the pillars of Grotto, are the perfect place for us to start thinking about retention. Together, they contain the essential things that would make the Enchanted Realm enjoyable for the prophets and attractive to others. It is our choice whether we use them to that advantage.

**Sympathy is caring and loyalty.** Our fellow Prophets need to know that we are committed to them. They need to know that they are important to us. They need to know we miss them when they are not at a meeting or an event.

They need to know that we are thinking of them when they or someone they love is going through a difficult situation. It comes down to a basic principle, if we do not care about them, why would they care about us? We need to show them we care that they are members of the Grotto.

**Goodfellowship is the enjoyment we share with our fellow prophets.** The kind of sharing that makes us feel glad we went to the event/meeting when we are on our way home. It is taking into consideration what the Prophets would find meaningful and enjoyable. It is planning a year that Prophets would want to participate. It is designing events that Prophets would be excited about bringing their friends. It is about making your Grotto known within your Masonic circles and local community.

I would like to help you with this process by creating a forum where ideas can be shared. If you have events and activities that work for your Grotto send them along. If you have ways that you keep in touch with your fellow Prophets, let us know. Our suggestions might inspire others to put them into action in their Grotto.

Send by email to mjwissell@gmail.com or by mail to: 9 Eldia Way, Eastham, MA 02642. Let us work together to make the Grotto the best it can be.

GRAND MONARCH’S PLEDGE PROGRAM

5 FOR 5

The Humanitarian Foundation, the official charity of the Grottoes of North America, provides dental care for children with cerebral palsy, muscular dystrophy, mental retardation, down syndrome and organ transplants. During the past five years the Foundation has served 4,500 children at a cost of $3 million, and more families are seeking our help than ever before. In order for the Humanitarian Foundation to keep up with requests for dental services, we need the help of all Prophets in the Realm.

You will soon receive a special mailing outlining GM Dave Rebmann’s “Pitch In for Prevention” asking Prophets to join the Grand Monarch in pledging to buy 5 Enchanted Lanterns over the next 5 years in order to give help to 5 special needs children.

See how many of your Prophets will sign up for the 5 for 5 program!

Greetings Prophets, Ladies, and Daughters:

It’s the most wonderful time of the year and we are embarking on a new year in the history of the Daughters of Mokanna. We are looking forward to celebrating the birth of our Savior, the reason for this wonderful season.

The door of the Supreme Caldron swings wide as we stand on the threshold of a new year. We are excited to have Daughter Linda Chapman of Yusef Khan Caldron No. 24 of Akron, Ohio as our new Supreme Mighty Chosen One. She has many exciting things planned for the coming year and her theme is Faith, Hope, and Courage. Watch for her as she travels throughout the Realm.

The Daughters of Mokanna wish each of you a very Merry Christmas! May peace and joy be yours the whole year through. We also want to wish you the best of everything the New Year brings.

May God bless and keep you all in his infinite love,

PSMCO Rosemary Lusher
PSMCO Lora Givler

HUMANITARIAN FOUNDATION MATTERS

As Chairman of your Humanitarian Foundation, I want to personally thank all of you who have made contributions to the Foundation through the Enchanted Lantern program and/or the Fairchild Society. At this time of year a celebration of Thanksgiving has come and gone with the Season of Happiness and Joy just around the corner.

Our Grand Monarch, David Rebmann, in his travels has reminded you the Prophets, that the Humanitarian Foundation is the official charity of the Grottoes of North America. As you know, it is a 501C3 and all contributions are tax deductible. You as Prophets and your Ladies may be looking at the end of the year tax contribution, so why not take advantage and give to the Grottoes Charity, “Dental Care for Children with Special Needs Program”. Help create a special smile that all of us want to see and will last forever. Perhaps your Grotto has a Unit(s) that is willing to have a fund raiser or an event that would help raise money to help these children. Wouldn’t it be wonderful if your Grotto Unit or Ladies Groups chose to sponsor a child’s dental visit or treatment?

Perhaps you might consider joining one of the new programs that the Foundation has started, possibly the Fairchild Society. You can join this program by sending in a form, writing a note or calling one of the Ladies at the office (614-933-0711) and let them know you would like to make a contribution or pledge by giving a credit card number, (processed through a secure program) or mail them a check and let them know the level you would like to contribute or pledge. You can pledge as little as $50 a month, a quarter or yearly until you reach your goal, anyplace from $250 to $25,000. It is a unique program and it is for the children, “building smiles one at a time”.

The other new program the Foundation put into place is our Legacy Society. This program will help secure the Humanitarian Foundation into the future. It is a very simple program to join. You may already have a will or trust and all you have to do is contact your attorney or insurance company. Consider as little as a 5% contribution from your will or life insurance policy, 95% would then go to your family. See one of the Humanitarian Foundation Trustees or call one of the Ladies at the office and they will send you a form that just needs your signature, simply stating that you would like to become a member of the Legacy Society. No dollar amount is asked, only that you want to leave something in your estate to the Humanitarian Foundation. Your name will also be placed on the Legacy Tree in the Supreme Offices. Louise and I along with all the Trustees of the Humanitarian Foundation and members of your Board of Governors have joined the Legacy Society. To date in just a little over a year, we have 52 Prophets and Ladies who have joined, which is a true testament of the generosity of the members and families of the Grottoes of North America.

Prophets and Ladies, as we go into the celebration of the Holiday Season and look to a new year, let us not forget the Reason for the Season and let us continue to work and strive, as we end the year of 2012 to make 2013 the best year our Humanitarian Foundation has ever had.

Happy Holidays
Charles H. Ferguson, Chairman

The philosophy of Dr Paul Griffith’s office in Sunnyvale, California, is “Paying it Forward”. Dr Griffith works through the Dr of Smiles for Zorah Grotto, David Driesbach, and has treated children with disabilities for many years as a 3rd generation dental facility which is just about to become a 4th generation when his daughter joins the practice. They have submitted cases for qualifying children from their practice to our dental program. They were so impressed and appreciative of our program, our office manager, Jackie Huang, because of her caring and generous personality talked to Dr Griffith about doing something to thank the Foundation for the programs generosity that helped so many of their patients. They started telling their patients and families about the Humanitarian Foundation and our dental program and asked them to consider making a donation. They started by offering a small dental packet for a $5.00 contribution, but people started donating larger amounts and some went to our web site and made individual donations. Angela, their dental assistant, made the poster shown, for people to add a star for every $5 donation to make a difference, AND a difference they are making.

On behalf of the Humanitarian Foundation and the Prophets of the Grottoes, we want to extend our heartfelt thanks to Dr Griffith and his wonderful Staff.

Their original goal was $500, but through the generosity of their patients, as of Thanksgiving week, they have contributed, **$2,375.20** and have additional contributions still coming in. As we come into this holiday season of joy and giving, this is truly an example of what and how we can help others.
AROUND THE REALM
DAYTONA BEACH, FLORIDA

PGM and Humanitarian Foundation Trustee, Clayton Simons spoke at the South Daytona Lion’s Club in October and was presented a $600 check from the Lions to help with the Dentistry Program.

There are many children in the Daytona Beach area who are helped each year through our Grotto’s Dental Program and the Lion’s Club is proud to sponsor a couple of these special needs children to help them receive the much needed dental treatment. If you would like to make a presentation to a local Lion’s, Rotary Club, etc. we have a presentation we can provide to you to use. Please call the HF office for details.
