The Grotto Magazine
DAVID REBMANNN, GRAND MONARCH’S MESSAGE

Prophets, Ladies and Friends,

As hard as it is to believe, I find myself coming to you in these pages for the last time as your Grand Monarch. Liz and I have spent the past several months visiting with the Prophets and Ladies around the Realm, installing officers and attending meetings and fun-filled evenings of various Grotto activities. We want to thank everyone for the fantastic hospitality shown to us during all of these events.

My theme for the year has been “Grotto is the Music of Life.” As we have visited Grottoes in different geographic areas, we have observed time and again how true this statement really is. Grotto activities continue to add fun and friendship to our lives, enriching our Masonic experience and reinforcing the bonds that were forged in our Blue Lodges. The friends we have made and the experiences we have had will be treasured for the rest of our lives. Words cannot adequately express how humbled and thankful we are to all of you for the outpouring of love and affection you have bestowed upon us. We are truly blessed.

As I have attended the various Grotto functions around the Realm, I have been impressed with the manner in which the Prophets have set about performing their duties. I called for a renewed effort to improve our ritualistic work, focusing on opening and closing ceremonies. The Prophets have taken up this challenge and have embraced it. I have seen renewed energy in a number of officer corps, as evidenced by their desire to achieve top scores in the Grand Monarch’s Award of Excellence program. I applaud you all, Prophets, for your dedication and desire to see your Grottoes grow and improve.

I am also proud to see that a number of Grottoes are working closely with their Grand Lodges to build and strengthen the bond between Grotto and Blue Lodge Masonry. I had the opportunity to address the Conference of Grand Masters of North America in February, and I pledged to them that Grotto Prophets were strong supporters of our Blue Lodges, and that our aim was to help strengthen Masonry, not detract from it. I believe that with all my heart, and judging from what I have seen in my travels, I know you believe it, too. Let’s continue to do all we can to support our Grand Lodges, and to let them know we stand ready to do our part to keep Masonry alive and well!

Membership continues to be an issue of concern for all Masonic bodies, the Grotto included. I have been receiving reports from a number of Grottoes who have been having great success with their membership drives, filling up their guitar posters. Unfortunately, I have also noted that a number of Grottoes have been forced to “clean their books” of members who have been carrying a number of years in the hopes that they would one day get current with their dues. I understand that Grottoes cannot afford to carry non-paying members indefinitely, but I do encourage you to do all you can to reach out to these members to ensure that they are not in need of our help. Many may be too proud to admit they need assistance, or simply think that no one cares anymore. As for those who have simply drifted away, they may still have interest in the Grotto. They were drawn to us initially, and we may still be able to reignite that spark and bring them home. The hardest part, having them learn who we are, has already been accomplished. Take a little time and contact some former members and see if they might be interested in rejoining us. You might get a pleasant surprise.

Lastly, I want to again invite you to our Supreme Council convention in Nashville, Tennessee, the first week of July. The committee has planned a week of fun and entertainment for you, and we hope you can join us. We have evening outings planned to the Wildhorse Saloon and the Grand Ole Opry, and arrangements have been made for discounted admission to the Country Music Hall of Fame and Museum. We have also made arrangements for Gray Line Tours to offer a number of opportunities to explore a variety of attractions the area has to offer. On Wednesday, July 3, we have a golf outing planned at the beautiful Gaylord Springs Golf Club, and for those who don’t golf, the Opry Mills Shopping Center is right on the way, so there should be something for everyone.

In closing, I want to again thank you for the opportunity to serve you as your Grand Monarch. It has been a joy and a privilege. I have tried to be an ambassador for Grotto throughout North America, and to encourage all Master Masons to learn of the joys of our Mystic Fellowship. With God’s grace and your help, the Grottoes of North America will continue to grow and flourish for many years to come. Remember, Grotto is the Music of Life! Keep singing Grotto!

Yours in Good Fellowship,

David Rebmann
Grand Monarch

LIZ REBMANN LIBRARY DEDICATED

In October 2012, the Ladies of Gul Reazee Grotto (the Gulz) were informed Liz Rebmann, the Lady of the Grand Monarch of the Supreme Council of the Grottoes of North America, had taken on the funding of a children’s library at the Illinois Masonic Dental Hospital. The Gulz in Portland then decided in November to institute a children’s library at the Providence Children’s Dental Clinic in Portland, Oregon, in honor of Liz Rebmann and her work. They gathered books and are continuing to get more donations.

The “Liz Rebmann Library” was dedicated at the Providence Hospital Dental Clinic on January 21, 2013. Will and Sharon Gordon, as well as Lloyd and Patty Fries, presented Stephanie Longtin, manager of Providence Specialty Pediatric Dental Clinic, a new bookcase filled with children’s books. The assortment consisted of children’s books from one year of age through those for young adults.

The Library will be continually maintained and replenished as the need arises. Each book in the Library has a sticker on the front cover that reads:

This book donated to the LIZ REBMANN LIBRARY by the Gulz of Gul Reazee Grotto for your reading pleasure.

**RETENTION: Building Relationships**

**I have a question for you.** Do you remember the first time you went to a Grotto? Maybe you went because your father or grandfather brought you to an event. Perhaps you went because you were attending a public function or someone had rented the hall for a celebration. Was it the day of the ceremonial when you were created a Prophet? *Do you remember?*

If you can, I want you to try and remember what you were feeling. Were you anxious? A little nervous? Curious about what this place was all about? Excited for what was going to happen? The point is this: try and remember what it was like to be the new guy in the group.

Assimilation is the term we use to describe the process by which a new member becomes a fully engaged Prophet. This is the absolute key to retaining active members. It is the transformation from buyer (filling out an application and paying the fee) to owner (taking pride in the title Prophet and being a member of your Grotto). It is developing an emotional attachment to your Grotto that keeps you coming back. We know the relationships we share with one another are the true rewards of our membership. The question is how do we build them? How does that happen?

I would suggest to you there are two ways this process can occur. First, it can happen by chance. This is when you leave it up to the new member to find his way through your Grotto. It usually works something like this. A Prophet sponsors a brother into the Grotto. He comes to the ceremonial and is initiated; people are nice and welcome him. He might come to the next meeting and sit with his sponsor, but doesn’t really get comfortable with anyone else. This repeats itself for the next couple of meetings. Then his sponsor isn’t going to a meeting. What happens? Hopefully, the new Prophet is confident enough and interested enough to go on his own. More than likely he isn’t and the process of taking or leaving the Grotto begins.

The other option is to plan for how new members are assimilated into your Grotto. We know that research informs us that those first meetings are the most important ones in assimilating a new member. We must not squander that small window of opportunity. We can be very intentional about how we integrate new Prophets into the Grotto. I have a few suggestions, but clearly not the conclusive list of how your Grotto can help your newest members become active members.

**Remember that Retention begins even before membership.** Always think about ways your friend may fit into your Grotto before asking him to join. Bring him to some public events before presenting him an application.

Let him see the good fellowship of the Grotto for himself. Have him meet some of the guys. Expose him to the very special place that Grotto is and he will be eager to join.

Send a follow up note. When a brother becomes a Prophet, send him a note a week or two later. Let him know how glad you are that he is part of the Grotto. If he misses a meeting, send him a note saying you missed him. Ask him if there is something we can do to make his experience more enjoyable. Let him know that you know who he is and care about him.

Find “That Guy.” You know the one I am talking about. He is that very outgoing guy who belongs to every Grotto. He is the one who knows most of the Prophets. He is the one who can tell you all about them. Ask him to help you with new members. You might have him coordinate the candidates on ceremonial day. Challenge him to connect the new members to the Prophets who have similar interests. This goes a long way in helping someone feel comfortable in your Grotto.

Have another gathering just for newly initiated Prophets. Let them get to know each other without everyone else around. Maybe have the Monarch and officers introduce themselves and get to know them. Share the story of your Grotto with them. If you have units, allow the units to share what they do. Talk about ways the new Prophets can be involved in the Grotto. Ask them what their first impressions were of your Grotto. This will help you make your Grotto more inviting to the next class.

A simple way for them to get to know the Prophets is to ask them to be a Greeter. This way they will at least be able to put a face and a name together. I belonged to a Rotary Club where it was the club rule. The newest member was the Greeter until he or she was replaced by the next new member. I got to know every member of the club that way. It also makes you feel like you have an important responsibility to the Grotto. Oh Yeah! It is fun, too.

**Prophets, Retention begins with us.** Let us not leave it to our new Prophets. Reach out to them and make them a part of your Grotto. If your Grotto does not have a formal plan to assimilate new Prophets, try and formulate one. At a minimum, go out of your way to welcome the new guys. **If Grotto is going to grow, we need to retain the members we have.** If all of us work together, we can make this happen!

Join us in Nashville, Tennessee for the Humanitarian Foundation Review at the Supreme Council Session on Thursday, July 4! Our dinner will be an old fashioned Fourth of July dinner menu with hamburgers, hot dogs and all the picnic fixins.

The Humanitarian Foundation Trustees will present an excellent program to update our members about ALL THE WONDERFUL THINGS WE ARE ABLE DO FOR OUR SPECIAL CHILDREN thanks to your contributions!

After the award presentations, the Foundation will supply some good ole apple pie, ice cream and other sweets. The evening’s program will end from the top of the Millenium Maxwell House Hotel for Nashville’s 4th of July Fireworks to be viewed from all around the City!

We promise you an outstanding program with a most spectacular ending!

During the spring Board of Governors’ meeting, the following policy regarding social media was adopted:

Social Media and the Grottoes of North America

The presence of Grotto Prophets on various social networking sites is growing exponentially and it is drawing attention to the Enchanted Realm. By participating on these sites we should strive to make that attention as positive as possible. When we represent ourselves as Prophets of the Enchanted Realm, we become one’s impression of the Grotto. As such, it is important that we act accordingly and subscribe to the lessons we are all taught as Prophets in terms of how we communicate with fellow Prophets and the general public.

Social Media Code of Conduct for the Grottoes of North America

A Prophet should conduct his Social Media activities in a way that reflects his membership in the Grotto. He should act in a way that presents a positive image of his membership in Grotto to the world.

As a Prophet, he must be aware that his postings are a permanent record; therefore, his conduct may influence the world with a positive or negative opinion about him personally and also about any organizations to which he belongs.

His actions on the various Social Media outlets should reflect the highest standards of morality and integrity he would practice within the Grotto.

The posting of pictures or videos of Grotto events must comply with the Supreme Council Code.

Information about Grotto social activities must comply with the regulations already in place for wording and distribution.

- Adopted from the Massachusetts Freemasonry Policy of 2012

“Grotto is the music of life.”
As we come to the end of Grand Monarch David Rebmann’s year with gratitude for his outstanding leadership and humanitarian support, the Humanitarian Foundation looks forward to working with Deputy Grand Monarch Otto Thiergart next year with high expectations of continuing the momentum the humanitarian programs are experiencing. With the help of so many of our dedicated Prophets, their family and friends and our new giving opportunities, your contributions exceeded our goals.

With your help, in 2012 our Enchanted Lantern count was at 2,173 giving us $108,650 and $21,360 from GWB that went directly to the trust which the interest is used to care for the many children in our dental program. With continued generosity to the Fairchild program, miscellaneous contributions, grants and Legacy Gifts, $219,707 was received. BUT, we have a long way yet to go, as the total cost of dental care last year was at $946,830. Our 2013 budgeted number for dentistry is estimated at $1,000,000. The Humanitarian Foundation is the official charity of the Grottoes and is helping so many children, but we need help and support from all of our members and all of our Grottoes.

This year, Grand Monarch Dave helped kick off “5 for 5 Pitch in for Prevention” program and Deputy Grand Monarch Otto plans to continue it. If you pledge 1 Enchanted Lantern each year for the next 5 years, you could help 5 children receive a much needed dental exam for 5 years. Think of the prevention that would help with. Consider signing up, create some competition, sign your name on the poster your Monarch received in February to post at your Grotto, see how many exams your Grotto can sponsor.

The Fairchild Society has become so successful that over $390,000 has been pledged and we have received $286,437. You are making a difference.

Our Funding Program is helping to provide many ways that you can help support your charity. We are seeking and receiving outside grants. If you have suggestions we are always open for opportunities with companies and foundations all over the country. Recently we received matching grants from State Farm and MassMutual. Does your company offer matching grant possibilities???

Many restaurants provide opportunities for Dine Ins. Tumbleweed Restaurants (see photo below) are donating 10% of the food sales to the foundation, being sponsored by Khana Shahar and Ormus Grottoes once a month till the end of 2013. Steak & Shake also donates 10%. Kroger grocery stores have Community Rewards program; I-Give is a web-based program that provides various percentage contributions through hundreds of stores that you normally purchase products from online. GFS (Gordon Food Stores) simply by giving the Humanitarian Foundation’s name at the checkout. There are many other companies that allow you to work with them and they make a contribution, simply by eating or purchasing things you normally use or do.

It’s what Goodfellowship means in Grotto, working and socializing together to help so many children who may go without the needed dental treatment if not for our help.

Dianna Bristle
Executive Director
HUMANITARIAN FOUNDATION CIRCLE AWARDS

Named for the Grotto’s Chief Founder, LeRoy Fairchild, the Fairchild Society is for major donors who may choose from a variety of levels including pledges. Prophets receive corresponding emblems representative of their gifts.

A SPECIAL NOTE OF THANKS FOR HELPING OUR SPECIAL CHILDREN!

To whom it may concern:

Saying “thank you” for the amazing way you have helped our family seems so totally insufficient. Not only did your financial aid provide our little Rosie with the dental care she desperately needed, but it also allowed us the freedom to provide Christmas gifts for all three of our children.

Truly the most amazing outcome of your financial assistance was the hope it restored in our hearts...that there are amazing, generous people willing to help those in need.

Our road with Rosie has been a little “bumpy,” but it has taught us so much about compassion and caring. She is making each of us exactly who we were meant to be in this world; and, it is the most wonderful (unexpected) blessing to be taught by her.

Thank you for helping our little Rosie - and for helping us learn that God truly does provide for all our needs.

Very Sincerely,
Katie
A MESSAGE FROM PAST SUPREME MIGHTY CHOSEN ONES

Now that we have moved to daylight savings time it’s time to watch for the Supreme Mighty Chosen One, as she continues her inspections throughout the Realm. The Daughters are busy practicing their degree work and dreaming up skits, dances, and drills to entertain one and all during these exciting and fun-filled visits.

This is also the time of year when we remember the Humanitarian Foundation. This year our Supreme Mighty Chosen One has asked each Caldron to place a jar in the meeting room and each Daughter is to contribute whatever they are able throughout the year, as Dentistry for Special Needs Children is very near and dear to SMCO Linda’s heart and she hopes that this collective effort will prove to be successful for the Foundation.

In closing may we quote Anne Bradstreet, “If we had no winter, the spring would not be so pleasant; if we sometimes tasted of adversity, prosperity would not be so welcome.” Our wish for each of you is a spring filled with Hope, Faith, and Courage.

Fraternally, PSMCOs Lora and Rosemary

AZIM GROTTO
Bronx, New York

Azim Grotto is growing in leaps and bounds. Members gathered for a recent Ceremonial which included several out-of-state visitors and a delegation from Ubar Grotto. Monarch Victor Mann was also pleased for the opportunity to welcome his father into the Enchanted Realm during the eventful evening.

Azim Grotto keeps members apprised of upcoming programs and membership activities through their monthly newsletter. In a recent issue Past Monarch Isaac Ambrose Moore, Secretary of Azim reminded members that the Mokanna and the fez worn by Prophets has a special meaning to Azim since the fez was designed by their Grotto and adopted as the official headgear for all Prophets of the Realm at the Annual Session of the Supreme Council held in Hamilton, New York in 1903.

Dearest Grottoes of North America,

Our family wants to tell you how much we sincerely appreciate your organization helping our family by providing much needed dental care for our daughter, Sawyer. Our dentist recommended extensive dental work for Sawyer to maintain good dental health. It was right before Christmas and our dental clinic required payment in full prior to the procedures being done. I didn’t know what we were going to do. Then I found your organization online. The entire process was unbelievably simple and everyone I talked to was helpful and kind.

For once I felt like I didn’t have to beg someone to help my daughter! It was an answer to our prayers! Sawyer will have a healthy beautiful smile and life because of you! You truly made a difference in my daughter’s life.

May God Bless You All!

A Special Thank You
